With control of up to 15 devices and one-touch activity controls, this is the only remote you may ever need.

One-touch activity controls

Say good-bye to cheat sheets. Everyone in the family can select what they want to do—such as “Watch TV”—and your Harmony remote does the rest. [Learn more about one-touch activity-based controls.](#)

Replaces up to 15 remotes

You can control your home-entertainment devices with one remote—reducing clutter and complexity in your living room.

Full-color touch screen

You'll enjoy easy, one-touch access to any entertainment activity.

Sculpted, backlit buttons

Backlit buttons in logical zones allow you to find the right channel—even in the dark.

Ergonomic design

The remote fits comfortably in your hand—making it easier to use. [Learn more about how Logitech designed the Harmony One.](#)

Rechargeable

Your remote recharges in its base station so you won't be looking for batteries when you want to be watching TV.

Guided online setup

You connect your Harmony remote to your computer and you're guided through every step. If you hit a snag, customer support is ready to help.

Works with 225,000+ devices

Support for 5000+ brands and 225,000+ devices, so you know it will work with what you have today and what you'll add tomorrow. See how your home-entertainment setup would work with Harmony.
